

A Breakdown of Highlights from the Audio of the date:

0:03 we sit down

0:05:30 I finish ordering, and start our conversation out of earshot of her friends.

0:07 we're talking about food (meh, but interesting). I'm kinoing her on the arm

7:50 "I sell T-shirts, Dildos, and do online marketing." Guess which of those things she got very interested in?

15:50 Her friends leave to go watch a movie.

18:30 Conversation about the dick size of some of her previous boyfriends.

19:10 I joke about my dick size. I'm hilarious.

20:40 The gay bartender flirts with me. I am pleasant and have fun with it. (frame: I don't judge people for their sexuality)

25:15 More talk about her new vibrator, and ways that girls masturbate.

34:30 Murder marry fuck (Which sets the frame that it's OK for her to fuck guys she's just met)

39:30 Her: "I have full confidence in my rack." plus a discussion of boob size.

40:40 Sexual Frames set with Murder, Marry, Fuck

44:25 My dick is huge

45:35 "Am I turning you on yet?" Joking with her about 'sexually escalating' on her, while I touch her bare shoulder with one finger.

46:18 Her: "You're the funnest date I've had"

50:30 I compliment her on her necklace, and tell her that I'm looking at her boobs, too.

52:10 I massage her back while she talks about her hair length. She likes the backrub, and I say "let me know when you're about to cum"

53:30 Telling the story about what a girl said to my roommate: "Wanna have a baby with me? Well then, put on a condom and fuck me."

56:29 "When I was younger I was kinda shy"

57:09 Her distaste over how guys will chat with her on OkCupid and try to seduce her. My response: "I would never do something like that."

58:33 Her: your arm touched my arm and I got a chill. Me: "That's sexual magnetism"

59:20 Her: Do you have a tongue ring? Me: "No, it's a figment of your imagination. You're thinking dirty thoughts"

1:02:20 Apparently chicks dig guys who played with My Little Ponies when they were younger.

1:03:18 I burped in front of her. Not very good game. And she called me out on it - but notice how she says she 'appreciates' me blowing it away from her. I'm a classy guy.

1:04:40 My fingers are having sex with your arm, and no one knows (while kinoing her arm)

1:06:20 Baiting to invest - I like girls who give me backrubs after sex.

1:07:20 Baiting to invest - how good are you at phone sex? Plus, I whispered some INCREDIBLY erotic things into her ear as an 'example' of phone sex.

1:09:50 I happen to know that girls have good pictures online, but they keep their best pictures on their phones (in response to her "ignore the dirty pictures on my phone" comment)

1:12:55 Inoculating against objections 1 and 2 (I always wear a condom)

1:14:50 Balls and pussy lips are similarly sensitive

1:15:20 Clitoral anatomy

1:18:30 I have her make a fist to simulate her pussy, and I start fingering her with my hand. My

finger is thrusting in and out of her 'pussy.' Notice her reaction.

1:20:40 She pretends like I wouldn't want to see her naked. Yeah, right. I call her on it

1:21:58 "How did we get on this conversation topic?" I say. As if I don't know. Setting the frame that 'sex just happens between us. we're naturally comfortable with each other'

1:22:50 **I try to close out my tab so I can take her home.** She wants another beer. So I get one, too. At this point I know it's on, and SHE knows it's on - so since she wants to stay for another beer this tells me that she's likely to have the 'I don't sleep with guys I don't know' or 'If I sleep with him too soon, he'll judge me' objection. So I choose to do a little 'comfort' game.

1:26:15 She qualifies herself to me, showing me all the tricky ways she can roll her tongue. I said "I want to kiss it" (but didn't, to show discretion).

1:27:00 "What if I was the kind of guy that really wanted to take advantage of you right now?" Ha! I'm hilarious.

1:27:15 her: I'm probably not going to sleep with you tonight (translation: we're going to fuck later)

1:29:50 "who's getting some tonight?" sexual frame (game)

1:32:30 Lollipop kiss. Her: "I'm really scared."

1:36:20 I turn 'instruments we played as a kid' to having her qualify herself on her blowjob skills

1:39:11 'Oh mon dieu, j'aimerais te sucer la bite' actually means 'Oh my god, I would love to suck your cock' but I forgot what I said. So for those of you who take umbrage with my french translation, je m'en bat les couilles.

1:40:40 A past boyfriend of hers 'had a big cock.' My response? "Good for him!" (I could have put him down with a cocky/funny line, but instead I chose to set the frame that she makes good decisions on what cocks she has chosen to have inside of her.)

1:42:40 She goes to the ladies' room

1:46:20 She's back

1:47:00 Inoculating against the "thinks I will fall in love too quickly and stalk her" objection. Since I don't think this is one of her main objections, I just cover it quickly, then change the subject

1:49:15 I kiss the back and side of her neck. She gets 'butterflies.'

1:50:35 I put her hand on my erection under the bar. she starts stroking my cock through my jeans.

1:51:50 she takes her hand off my cock. We talk about her dogs.

1:52:30 I subtly lean into her, cover her chest with my shoulder (so no one can see) and massage her nipple through her bra

1:55:10 She talks about her spin class (which I assume is how she got that AWESOME ass and legs) and I transition it to the feeling of her clit rubbing against the seat as she exercises

1:57:20 I get up and dance to Michael Jackson. This is NOT solid pickup. I'm a shitty dancer. But I like to dance. So if you can dance like me and STILL get the girl, then that shows skill, bro.

1:58:30 The girl next to us is so impressed with my dancing she starts talking to us, and gave me the rest of her fried pita and spinach dip appetizer. I let the girls talk while I eat the deliciousness.

2:03:50 She slides her hand down the back of my pants and squeezes my bare ass.

2:05:30 She 'accidentally' rubs her tits against my arm.

2:06:40 We start closing our tabs. Finally!

2:07:00 Her: "Are you meeting your friends later?" Me: "No." (Always a good sign when a girl asks the logistical questions)

2:15 leave to go out of the bar.

2:19 We walk to my car, and make out some. I pull her shirt and bra to the side and suck on her nipple. She likes it.

2:35 get to her house, dogs bark

2:39 Sex

This was one of those situations where it was ON. As soon as I bent down to kiss her when we got to her house, she started unbuttoning my shirt.
